## GETTING THERE

### BY PLANE

The next airport to Capri is the *Aeroporto Internazionale di Napoli* that can be reached from various international airports in the world.

### GETTING FROM THE AIRPORT TO THE COAST

To get from Naples Airport to the ports serving Capri, the most convenient way of getting there would be taking the *Alibus*. The station is situated right in front of the airport. The Alibus connects 'Naples International Airport' with the Port Terminal at 'Piazza Municipio' (the travelling time is about 30 minutes), that is located just a few steps away from 'Molo Beverello'.

→ You can purchase your ticket for the Alibus on board, it costs approximately 3 EUR, is valid for 90 minutes and can be used on other city transport services (departures of the Alibus: every 20 minutes from 6.30 to 23.30).

Alternatively, you can take the *bus 3S* that runs from 6.00 a.m. up to 23.00 and leaves approx. every 30 minutes. The bus makes all the normal stops along its route and it passes near the Central Station and near the harbour.

→ The ticket is the standard one for all the urban lines, called 'Unico Napoli', which in its base version costs 1 EUR and lasts 90 minutes from its first use. It is not possible to buy it on the bus, but it is for sale inside the airport.

Moreover, you may also take a taxi, or a rental car to get to the ports serving Capri.

→ Several hotels do also offer to organize the travel arrangements for their guests to and from the island. For additional information and costs thereby incurred, please contact the hotels directly.

### GETTING FROM THE COAST OF NAPLES TO CAPRI

You can reach Capri by ferry or by hydrofoil from Naples or Sorrento.

### From Naples

From 'Molo Beverello' you may take the hydrofoil to the island of Capri (the journey takes about 40 minutes and costs approximately 17,00 EUR) or the ferry from 'Calata di Massa' (the journey takes about 80 minutes and costs approximately 11,00 EUR). A shuttle service connects 'Molo Beverello' and 'Calata Porta di Massa'.

The Capri.net island guide recommends to take the hydrofoil from 'Molo Beverello' because of the greater frequency of

departures and larger selection of hydrofoils.

### **From Sorrento**

The ferry takes about 40 minutes and costs about 13,00 EUR, while the hydrofoil takes about 20 minutes and costs about 15,00 EUR.

- There will be a small fee for large baggage brought on board. The baggage fee is paid at the time of ticket purchase, and you will be given a special ticket for each bag.
- Fees may vary according to the operating company.
- The ferry schedule is available at [www.capri.com/en/ferry-schedule](http://www.capri.com/en/ferry-schedule)
