

Potential “Waves in Complex Photonics Media 2018” - Sponsor,  
Dear Sir/Madam,

European Optical Society proudly welcomes optics and photonics professionals to its [Topical Meeting on Waves in Complex Photonics Media in Anacapri, Island of Capri, Italy](#). The topical meeting is expected to gather around 80 participants from Europe and all over the world to the beautiful Island of Capri between 4<sup>th</sup> and 7<sup>th</sup> of June, 2018.

The chairs of the conference are Dr. Luca Dal Negro from Boston University (USA) and Vito Mocella from Italian National Research Council, CNR (Italy). This topical meeting provides a platform on which the latest results in the field will be presented and discussed.

**Topical meeting includes the following topics**

- Complex electromagnetic media
- Optics of pseudo-random structures
- Aperiodic metamaterials
- Multiscale optical media and fractal optics
- Aperiodic order in Photonics
- Incommensurate structures and quasicrystals
- Aperiodic plasmonics
- Transport in aperiodic systems
- Photonic amorphous systems
- Numerical methods for waves in complex systems
- Hyperuniform optical media
- Analytical techniques in complex optics
- Wave localization in correlated aperiodic media
- Fractional transport in wave optics

For **maximizing visibility** during the event, companies and other organizations are offered sponsoring and advertising opportunities. Detailed, but not complete list of items, is presented in the Appendix. For any inquiries, please contact European Optical Society Oy, EOS Executive Director Elina Koistinen, Tel. +358 50 592 4693, [koistinen@myeos.org](mailto:koistinen@myeos.org) as soon as possible. Items are sold on the first-served basis.

On behalf of the Organizers,  
Elina Koistinen  
EOS Executive Director

## **EXHIBITOR PACKAGE: 1000 €**

Monday 4<sup>th</sup> - Thursday 7<sup>th</sup> of June, 2018

***Present your company with a table top and benefit from contacts with our attendees!***

- **Single person** full time registration for the Waves in Complex Photonics Media conference including technical sessions, coffee breaks, lunches, welcome reception, and conference dinner.
- Company logo displayed online at the conference website and in electronic and printed conference program/other material.
- Networking & socializing during coffee breaks, lunch, and poster session.
- 10 % discount on all additional advertisements and sponsoring opportunities

## **CONFERENCE SPONSOR A OR B: 500 €**

- Your add on the rear cover of the conference program booklet (2 available) **option A**  
**OR**
- Your add inside the conference program booklet **option B**

Both options include your logo on

- Conference website (linked to your company website)
- The conference program (electronic and print version)
- The proceedings (electronic version)

## **EVENT SPONSOR OPTIONS**

- Coffee breaks **400 € / day**
- Welcome reception **700 €**
- Conference Dinner **1200 €**

Each option includes your logo on

- The event area
- Conference website (linked to your company website)
- The conference program (electronic and print version)
- The proceedings (electronic version)

## **DONATIONS**

*Another way of supporting the EOS topical meeting is in form of*

- Conference bags with your logo
- Pens, memory sticks, writing pads, etc.

EOS Corporate Members receive a discount of 10% for all these options.

We are open for negotiations considering all the sponsoring options.

Prices Exclude VAT, 24% VAT is added (if applicable).

**PLEASE NOTE:** Bookings from Non-EU, EU companies and businesses registered in EU countries (except Finland) are exempted from VAT, if VAT no. is given.
