Potential Sponsor or Advertiser for EOS Conferences at the World of Photonics Congress 2017

Dear Sir/Madam,

European Optical Society proudly welcomes optics and photonics professionals to EOS Conferences at the World of Photonics Congress 2017. The Congress is held in conjunction with the LASER World of PHOTONICS, the international trade fair for optical technologies including components, systems and applications, so there is an intense exchange between the scientific and industrial sectors. [www.world-of-photonics.de]

The EOS conferences include Optofluidics, Manufacturing of Optical Systems, as well as the Conference on Light Engineering. [<http://www.myeos.org/events/WPC2015>]

For **maximizing visibility** during the event, companies and other organizations are offered sponsoring and advertising opportunities. Detailed, but not complete list of items, is presented in the Appendix.

For any inquiries, please contact European Optical Society Oy, Mrs. Elina Koistinen, Tel. +358 50 592 4693, koistinen@myeos.org as soon as possible. Items are sold on the first-served basis.
