

6.10.2017

Potential EOSAM 2018 Sponsor,

Dear Sir/Madam,

European Optical Society proudly welcomes optics and photonics professionals to its biennial conference, **the EOSAM 2018** www.myeos.org/events/eosam2018, in Delft, Netherlands. The event is expected to gather nearly 400 people from Europe and all over the world to TU Delft Congress Center on **the 8th to the 12th of October 2018**. Next to the conference and the workshops we are planning to hold an **industrial exhibition** from the **10th to the 11th** of October. During the industrial exhibition we are offering you and your business to represent yourselves to the participants of the conference.

For **maximizing visibility** during the event, companies and other organizations are offered sponsoring and advertising opportunities. Detailed, but not complete list of items, is presented in the Appendix.

The local chairs of the conference are Prof. Paul Urbach from the Technical University of Delft, who also acts as the current President of EOS, and Stefan Bäumer from TNO, the Netherlands Organisation for Applied Scientific Research.

Topical meetings will be held on Silicon Photonics and Guided-Wave Optics; Freeform Optics; Optical System Design, Tolerancing, and Manufacturing; Bio-Medical Optics; Metamaterials, Plasmonics and Resonant Nanophotonics; Frontiers in Optical Metrology; Organic & Hybrid Semiconductor Materials and Devices; Adaptive Optics and Computational Imaging; and Tapered optical fibers, from fundamental to applications. The conference also includes a special session on Grand Challenges of Photonics, a session for partners in EU projects to disseminating their results, and a workshop on Sensing applications enabled by silicon photonics.

For any inquiries, please contact EOS Executive Director Elina Koistinen, Tel. +358 50 592 4693, koistinen@myeos.org as soon as possible. Items are sold on the first-served basis. Please also ask about exhibitor packages to the Industrial Exhibition, which will be held in parallel with the conference.

On behalf of the Organizers,

Elina Koistinen
EOS Executive Director

SPONSORING ITEMS

MEET & GREET: TBN ^{(1) (2) (3)}

Networking event for companies and students

- Introduce your company to the bright minds of tomorrow in a relaxed atmosphere with drinks, food, and some serious networking

INDUSTRIAL POSTER: 100€ ^{(1) (2) (3)}

Send your poster to the conference and make it visible for all conference attendees

- All posters reviewed by topical meeting chairs
- Competence and know how (rather than products) will be preferred

EXHIBITOR PACKAGE: 1790€ /1990€* ^{(1) (2) (3)}

Wednesday 10th - Thursday 11th October, 2017

- 3x2 m²; including table 0.60x1.20 m², chair, 1 socket, carpet, waste bin, name badge
- Single person registration for the EOSAM 2018 conference including technical sessions, coffee breaks, lunches, welcome reception, and poster session
- Company profile listed in the exhibition guide (print and online)
- Company profile, link to company website, up to five product descriptions, and press release postings on the exhibition website
- Company logo displayed online at the EOSAM 2018 website and in conference related publications
- Networking & socializing during welcome reception, coffee breaks, lunch, and poster session
- 10 % discount on all additional advertisements and sponsoring opportunities

***1,790€** EOS corporate member rate (by 31 June 2018)

1,990€ rate (by 31 June 2018)

CONFERENCE SPONSOR 1: 800 € ^{(1) (2) (3)}

- Half-page add (A5)
 - containing your add on the rear cover of the conference program booklet (ONLY 2 available)
- Your logo on:
 - EOSAM website (linked to your company website)

- the program booklet (electronic and print version)
- the proceedings (electronic version)
- the sponsor poster & slides (displayed on-site)

CONFERENCE SPONSOR 2: 500 € ^{(1) (2) (3)}

- One-page add (A4)
 - containing your add inside the conference program booklet
- Your logo on
 - EOSAM website (linked to your company website)
 - the program booklet (electronic and print version)
 - the proceedings (electronic version)
 - the sponsor poster & slides (displayed on-site)

EVENT SPONSORING: starting at 1500€ ^{(1) (2) (3)}

- Welcome reception
- Coffee breaks
- Conference Dinner
- Student events and Awards
- Early Career Awards for Women in Photonics and Photonics Entrepreneur

DONATIONS

Another way of supporting the EOS biennial meeting is in form of

- Conference bags with your logo
- Pens
- Writing Pads
- Etc.

⁽¹⁾ EOS Corporate Members receive a discount of 10%

⁽²⁾ Excl. VAT

⁽³⁾ Open for negotiations

Prices plus 24% VAT if applicable

PLEASE NOTE: Bookings from Non-EU, EU companies and businesses registered in EU countries (except Finland) are exempted from VAT, if VAT no. is given.
