Summary

This is an example summary. Its length should not exceed 4 lines. It should be single spaced with body text justified. This is an example summary. Its length should not exceed 4 lines. It should be single spaced with body text justified.

Introduction

The text should be typeset in Arial 12pt, with single line spacing on A4 paper. Margins are 2.5cm top, bottom, left and right. The maximum length of the abstract is 2 pages. Please do not use page numbering. Make sure that if any special characters are used in the text the pdf file contains these embedded. Underline the name of the presenting author in the author list.

Equations should be numbered sequentially and set centered on the page. Proper alignment is possible e.g. with a 3 x 1 table without borders, as below:

$$\mathbf{E}(\mathbf{r}) = \iint_{\Omega} \frac{\mathbf{a}(s_x, s_y)}{s_z} \exp(i\mathbf{k}\mathbf{s} \cdot \mathbf{r}) ds_x ds_y \quad (1)$$

The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.

Discussion

The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.

text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.

Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.

Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.

Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.

Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.

Conclusions

Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right. The text should be typeset in Arial 12pt, with single line spacing. Margins are 2.5cm top, bottom, left and right.
